The willingness of each student to contribute to activities beneficial to our school is known as the "Wolverine Spirit." This spirit is a living part of our school and resulted in outstonding individual, team, and group efforts. As you turn the pages of this book, it is my wish that you look with pride on your contribution to this living spirit.

WHEN we come into this school three years ago we were blessed with the most modern equipment and best of school facilities. "WE will always be indebted to the school we love."

Beautiful Treasure Lake in the Wichita Mountains

OUR High School is very close to one of the oldest and most beautiful mountain ranges in America.

IT has been our effort to bring a little of this beauty into our 1959 Wolverine lore.

OUR mascot represents the wild free spirit of nature—the Wolverine is one of natures examples for us. Its fighting spirit should be upheld in our school and in our lives; therefore, let us always cherish the greatest asset of Lawton High School, its spirit, and keep throughout our lives a spirit like that of this small cunning animal, so————

LET us dedicate our efforts to this spirit and from the time we leave these esteemed halls, let us perpetuate in our thoughts and deeds, L. H. S. and the Wolverine Spirit.

VIRGINIA YORK—
ELDEN YOUNG—F.F.A., 59; Camera Club 59; T & I Club 59.

Our last year of high school was a fruitful one, but it had the backing of two years of learning by experience.

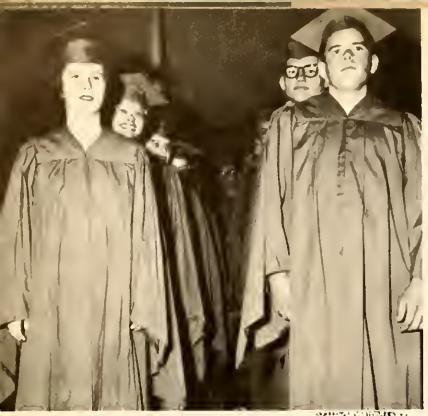
The first year, when we were scared sophomores, was marked by the float, "Give a Cheer for LHS," and the assembly, "Going West." Our leadership and maturity had received their first tests.

We gained more from our experience in the assembly, "Around the World in Eighty Days," and the play, "What a Life," during our Junior year, but the climax of this year and possibly of all our years at LHS was the prom, "Teahouse of the August Moon," which showed that we were finally reaching the end of the road to that coveted position, "Seniorship."

And then it was here, the best time of our lives in high school. We were Seniors! This was the year that we were given a chance to show our ability in the leadership of the entire student body. Starting with the Senior float, "The Worm," and progressing to the Senior play, an unusual drama entitled "Thunder on Sycamore Street." Then, the Senior Assembly, the crux of our senior activities, was produced. "Shock," the assembly, showed that we had learned our lessons well and that we **could** work together and **could** accomplish what we set out to do.

Originality and no little bit of impetuousness characterized our years in high school, but through all these years we have tried to uphold the Wolverine Spirit, indispensible to a good class or school. We hope that the Senior Class of nineteen hundred and fifty-nine, if for nothing else, will long be remembered for its great spirit in the halls of Lawton High School.

SENIOR ACTIVITIES



"When The Saints Go Marching In!"

"The Day After The Night Before."

"Ole!"

"That's Life."

"Home Sweet Home!"

O, Happy Day!

A taste of the orient.

Discussing future plans?

Tea, anyone?

Better times are yet to come.

Sitting on the heater watching all the girls go by.

Suzonne Jones, Beverly Sprodlin, Alice Aurell, Morilyn Lewis.

After finally struggling through four deadlines, the 1959 Wolverine Lore production has at last reached an end. The Lawton High School yearbook is no longer a small school book, but has reached the size of many college books. The yearbook staff, with the help of an excellent photography department, has tried to keep up the standards that should be held in a book the size of the 1959 Wolverine Lore. We sincerely hope that our efforts have been worthwhile.

JUNIOR ACTIVITIES

Lynn Zorbis

Wonder what kind of joke that was.

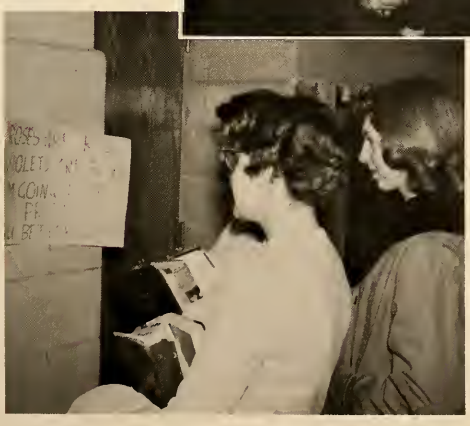
Not in the patio, boys.

McHenry's determined we're going to play Carnegie Holl, isn't he?

And Mr. Neptune soid it couldn't be done!

Children must play!

Think we'll get a date?



Good Assembly?

JUNIOR ACTIVITIES

Publicity poses always bare me.

Six nickel Cokes, please!

Ye Gads! What if they burst?

Thank heaven for little girls.

Put your left hand in. Pull your left hand out. Do a little wiggle.

Now tell the truth, Doris!

But what if I don't get a date?

Are you sure these aren't the 1941 Festival decarations?

Style show or study hall?

Thought it would be overdue, didn't you?

Don't worry, Stomps, we'll erase it!

1959 JR.-SR. PROM
Le Bal Français
In The Making

Out of the organized confusion pictured here, emerged the 1959 Junior-Senior Prom. Sharon Dixon and Jomes Martin, the co-chairmen, and other able members of the Junior class have produced something that none of us will ever forget.

HOMECOMING 1958

Homecoming was eventful and victorious. The day began with a pep rally honoring the 1920 LHS football team. The parade in the afternoon was a great success featuring floats representing each class and organization that participated. That night the Wolverines trounced Kapaun, and at the halftime ceremonies Carol Arnold was kissed and crowned by James York while Ella Price, Oscar Pickering, Alice Aurell and Larry Waller looked on.

LHS
SPORTS

Frederick 20 Lawton 8
The Wolverines emerged from their lair on the night of September 13, 1958, ready for the Frederick Bombers. With a record crowd of Lawton and Frederick spectators, the game began with an arching kick-off. Although Frederick was in possession of the ball during most of the game. Lawton's defense held solidly. Lawton scored once in the first half and twice in the second half, missing all the optional points but one.

Ardmore 6 Lawton 7
The Wolverines traveled to Ardmore to take on a powerful Ardmore team on the night of September 19. The Wolverines allowed Ardmore to score on a pass play in the second quarter. When the Wolverines came out for the second half, you could see they were teeming with desire. Lawton scored and old faithful Stuart Tonemah limped on to the field to make the conversion kick.

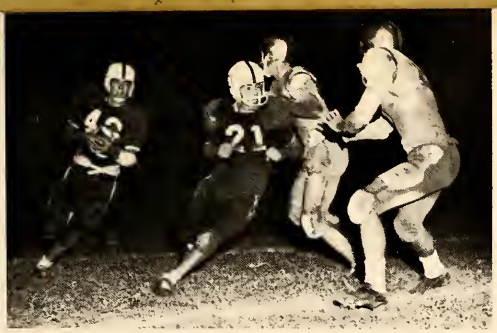
Norman 6 Lawton 14
Norman was predicted to wholly contain Lawton throughout the course of the game. At the end of the half, Lawton had gained only 9 yards to Norman's 82. The second half brought Lawton on the field to drive successfully twice. This brought the score to 14-6 Lawton. Thus Lawton defeated Norman and become the number one team in the Boomer Conference.

FOOT

Kapaun 14 Lawton 36
Kapaun was not able to break Lawton's stride toward a victorious home game. Lawton's aggressiveness paid off in a touchdown and before Kapaun could compose themselves, the Wolverines had an 8-6 lead at the half. Half time ceremonies saw Coral Arnold crowned as Lawton's 1959 grid queen. The second half saw the Wolverines march on several long drives and the game ended 36-14 Lawton.

Chickasha 12 Lawton 22
Lawton's first half was not one to be praised. As always Lawton's second half was one of team unity and hard play with the fuel of determination which is present in all Lawton teams. Through all this effort and drive, Lawton saw a clear field to victory.

Enid 14 Lawton 42
Hoping to extend their number of victories to 8, Lawton journeyed to Enid. The Wolverines were too much for the Plainsmen. Enid could not hold back Lawton's power and Lawton forged ahead early in the game. Lawton kept rolling throughout the second half and the game ended with Lawton victorious.



Altus 14 Lawton 6
Lawton found themselves behind 14-6 in the fourth quarter. It was then that the Wolverine spirit began to show. Through determination and desire Lawton mounted a sustained drive to the Bulldog 6 yard line. Then one of fate's freak moves caused Lawton to fumble, and the Bulldogs to recover. Lawton fought hard for possession of the ball, but regained it too late. Lawton had lost, 14-6.

Ada 20 Lawton 0
The Wolverines held the cougars to a scoreless first quarter, but halftime saw Lawton trailing by 6 points. The Wolverines finally gave ground and Ada scored twice. The Lawton eleven tried hard to drive successfully, but lost possession to Ada. Ada did not run over the Wolverines, but had to exert every ounce of energy to finish the game over Lawton.

BALL

Jesuit 6 Lawton 28
The Wolverines tallied early during the first quarter. At the half Lawton held a solid 13-0 lead over the Rangers. At the beginning of the second half the Rangers marched on a short drive to pay dirt making the count 13-6. Lawton then clinched for two more six pointers and conversions.

El Reno 0 Lawton 27
Lawton managed a very slim 6-0 lead over the Indians during the first half, during which there was no spectacular play on the part of either team. The second half was one of an explosive exhibition of defensive and offensive team play by Lawton. The Wolverines physical stamina wore the Indians to a point of slight resistance against a full steamed Wolverine gang.

Capitol Hill 8 Lawton 6
One state champ would be brought out of this game. The Wolverines fought the Redskins in cold wet weather. Though both teams were evenly matched the breaks went in favor of Capitol Hill. Lawton gained control of the ball too late in the game to score the needed touchdown and move ahead to cinch the State Championship. Lawton finished State Runner-Up.

Duncan 6 Lawton 6
This game was to decide the Boomer Conference Champs. Lawton had come a long way to win this one. The contest held a high pitch in every corner. Lawton managed a touchdown minus conversion points. Late in the final quarter Duncan scored and also failed at the try for point. This gave Lawton a try for State Champs.

"AROUND THE WORLD IN EIGHTY DAYS," this year's three act all-school play was based upon a book written by Jules Verne. The play centers around a Mr. Phileas Fogg's rather unusual wager that he can travel around the world in the exact time of eighty days. The complexities that followed served for interesting and entertaining dramatic achievement. Looking to the entire school for the cast, twelve seniors, nine juniors, and two sophomores participated. Production work was taken care of by 37 members of the three classes.

Senior Play

"THUNDER ON SYCAMORE STREET"

by Reginald Rose

Directed by Mrs. Opal Ford

S. Jones, M. Marr, L. Carden.

R. Stanard, J. Rhodes, B. Ansley, L. Smith.

J. Elrod, P. Toft, L. Carden, S. Batkin.

S. Botkin, J. Elrad, P. Taft, A. Sarafis.

Tension, intense drama, and prejudice were trademarks of "THUNDER ON SYCAMORE STREET," the senior play in three acts by Kristin Sergel. The production was adapted from television by Reginald Rose. Joseph Blake, though otherwise, an average neighbor, is an ex-convict of four years. His choosing a certain middle class neighborhood for his home causes much anxiety and strife. It also allows for wonderful entertainment. The cast consists of 36 seniors while 26 seniors assisted on production.

Junior Play

"PAPA WAS A PREACHER"

by Alyene Porter

Directed by Mrs. Opal Ford

D. Howard, J. Parker, K. Constant, M. Lewis.

M. Lewis, R. Schnee, A. J. Tague, D. Whitcomb, M. Lehmon, C. Allison, D. Howard, R. Kelly.

Alyene Porter's book, "PAPA WAS A PREACHER," has been dramatized very effectively by John McGreevey in the form of a three-act play by the same name. The comedy is this year's junior class play. The realization that preacher's children are just as childish as any others comes slowly to some of the local busy bodies. Several humorous complexities develop during this period that allow for excellent comedy and wonderful entertainment at the same time. Twenty-eight juniors filled out the cast while 44 assisted on production work.

Crud,

Although I know you
sorta-well and know that
you are not the nicest person in the
world, but since this is a yearbook
and you are supposed to write
something nice I shall try to think
of something. Well, well, I guess
that you are pretty smart, you can
be nice if you wish to and are a lot
of fun to be around

Love
Pat Ross

Judy,

I have enjoyed (believe it or not) knowing you this past year. Although there have been quite a few disagreements (?) between us, I have enjoyed them. I hope that, in years to come, we can become better friends. Good luck and best of wishes.

Love,
Nancy

P.S. Thanks for helping us in debate.

Judy - This year with you has been a trial that (wow!) and I would not trade for the memory of it for all the world. I could rattle on about your marvelous personality (Wow! - How wild!), your brain power (How did we ever make it through Biology and Geometry) and a bunch of crap like that, but I won't (As if I hadn't already). Remember always the wild and wonderful times we have had together (I mean like sitting under Mr. Miller's cabinet during lunch!). I couldn't go on like this forever but it isn't really necessary for all that I wish is contained in one line: may the blessings of heaven forever be thine - regardless!

Leaves may whither,
Trees may die
Friends may forget you,
But never will I!!

Sincerely!
Liz

Judy,
You're one of the craziest kids
